The Message

FROM THE DESK OF THE CHAIRMAN

The newsletter which is being rolled out today marks the launch of an effervescent activity that would enable the Management to bring out to the eyes of the competitive world, the academic achievements of our prestigious institution. Sri Venkateswara College of Engineering and Technology has grown in leaps and bounds, hurtling across barriers along the way. This has been made possible with the collaborative effort of the Management, the Staff and the Students. I congratulate everyone for their commitment.

college is like a fountain of knowledge and students are there to drink.

CHUCK PALAHNIUK

FROM THE DESK OF THE VICE-CHAIRMAN

I am delighted to know that our college newsletter carrying the campus news and the achievements of our staff and students, who earn credits for the institution, is being released. I can say with confidence that Sri Venkateswara College of Engineering & Technology (Autonomous) is a role model for others and students getting an opportunity to be associated with us have every reason to expect the best. With the support of qualified, dedicated and hardworking faculty, the institute has achieved enviable ranking in a short span and I have no doubts that with this pace, SVCET (Autonomous) will march ahead of other eminent institutes at the national level.

PRINCIPAL'S MESSAGE

It is a matter of great pride and pleasure to express my thoughts as the Principal of Sri Venkateswara College of Engineering & Technology (Autonomous). Our institute holds the manifold distinction of being amongst the best when one considers the present status of technical education today. I wish all the best for all our staff and students who reiterate their aims at providing the best in academic and extra-curricular fields. It is my privilege in congratulating the editorial board on this pleasant occasion of releasing the newsletter.
