Introduction

The Department of Information Technology at SVCET organized a one-day workshop titled *"Future Proofing Your Career"* on 13th August 2021. The workshop was delivered by Mr. Anish S Nair, CEO of LogixSpace Technologies, a leader in technology solutions and career mentorship. Conducted in an online mode, the event was aimed at preparing students for the ever-evolving job market by equipping them with insights into future trends, essential skills, and career planning strategies.

Objective

The workshop sought to guide IT students in understanding the dynamic nature of the tech industry and how to adapt to its changes. The focus was on:

- Recognizing emerging trends and technologies.
- Developing essential technical and soft skills.
- Aligning career goals with industry demands.

Program Overview

Session Highlights

1. **Opening Remarks and Introduction**
    - The event commenced with a welcome speech by the faculty coordinators,followed by an introduction of the resource person, Mr. Anish S Nair.
    - Mr. Nair shared his extensive experience in technology and career development,setting the tone for the session.
2. *Understanding the Future of Work*
    - Mr. Nair provided an overview of how technological advancements are reshaping industries and job roles.
    - Key technologies discussed included Artificial Intelligence, Blockchain,Internet of Things (IoT), and Cloud Computing.
    - Emphasis was placed on the importance of continuous learning and adaptability.
3. *Essential Skills for the Future*
    - Participants were introduced to a balanced framework of technical and soft skills.
        - **Technical Skills:** Data analysis, programming, cybersecurity, and machine learning.
        - **Soft Skills:** Problem-solving, communication, teamwork, and critical thinking.
    - Mr. Nair shared examples of how these skills are applied in real-world scenarios.
4. *Career Planning and Development*
    - The workshop focused on crafting a personalized career roadmap.
    - Tips on resume building, LinkedIn optimization, and interview preparation were provided.
    - Mr. Nair highlighted the importance of internships and projects to gain hands-on experience.
5. *Interactive Q&A Session*
    - Participants actively engaged with Mr. Nair, seeking guidance on specific career paths and challenges.

- Questions ranged from choosing between startups and established companies topursuing higher studies versus entering the workforce.

Outcomes

- **Awareness:** Students gained a clear understanding of industry trends and future careeropportunities.
- **Skill Development:** Attendees learned the key skills required to thrive in a competitive job market.
- **Action Plan:** Students were inspired to take proactive steps in building their careers, including skill acquisition, networking, and effective career planning.

Feedback and Conclusion

The workshop received excellent feedback from participants, who appreciated the practical insights and motivational approach of Mr. Anish S Nair. The interactive nature of the session allowed students to clarify their doubts and align their career goals with industry requirements.

Dr. J. Velmurugan, Head of the Department, extended heartfelt thanks to Mr. Anish S Nair for sharing his valuable knowledge and to the faculty coordinators for organizing the event successfully.
