

SRI VENKATESWARA COLLEGE OF ENGINEERING & TECHNOLOGY
(Autonomous)

RVS NAGAR, TIRUPATI ROAD, CHITTOOR (A.P)- 517127.

Department of Information Technology

Cordially invite you for the Programme

"Orientation Week Schedule for Advanced Data Science

International Internship - 2023"

Organized by

Indo-Euro Synchronization in collaboration with ADS Team

Date: 20-03-2023 to 24-03-2023

Time: 2 PM to 3 PM

Event Coordinator

(Mrs.S.KOKILA)

HOD – IT

(Dr. J. VELMURUGAN)

**SRI VENKATESWARA COLLEGE OF ENGINEERING AND TECHNOLOGY

Event Summary Report

**Title: Orientation Week Schedule for Advanced Data Science – International Internship
2023**

Date: 20th March 2023 to 24th March 2023

Mode: Online (at SVCET)

Audience: IT Students

Coordinator: Faculty Members, Department of IT, SVCET

HoD- IT: Dr. J. VELMURUGAN

**Resource Team: Indo-Euro Synchronization in collaboration with the Advanced Data
Science (ADS) Team**

Introduction

The Department of Information Technology, SVCET, organized an online *Orientation Week* as part of the International Internship in Advanced Data Science from 20th to 24th March 2023. The event was conducted in partnership with *Indo-Euro Synchronization* and the *ADS Team*, aiming to provide a comprehensive overview of the program, introduce students to advanced concepts in data science, and equip them with the foundational knowledge needed to excel in the internship.

Event Objectives

1. To familiarize students with the structure, objectives, and expectations of the international internship program.
 2. To provide insights into cutting-edge tools, techniques, and methodologies in advanced data science.
 3. To foster an understanding of collaborative opportunities between Indian and European academic and professional institutions.
-

Day 5: 24th March 2023 – Career Opportunities and Closing Ceremony

- **Career Guidance:**
 - Career prospects in data science and the global demand for skilled professionals.
 - Guidance on certifications, internships, and further studies in data science.
 - **Feedback and Closing Ceremony:** The week concluded with feedback from participants and closing remarks by representatives from Indo-Euro Synchronization and the ADS Team. Certificates of participation were announced for attendees.
-

Key Takeaways

- Students gained a solid understanding of foundational and advanced data science concepts.
 - Practical sessions on tools and techniques empowered participants to implement what they learned.
 - The collaboration highlighted the value of international exposure in shaping careers in data science.
 - The event inspired students to explore data science research, internships, and career opportunities globally.
-

Feedback and Conclusion

The Orientation Week was highly successful in achieving its objectives, with active participation from students and engaging sessions by the resource team. Participants expressed enthusiasm for the internship and commended the hands-on approach adopted during the program.

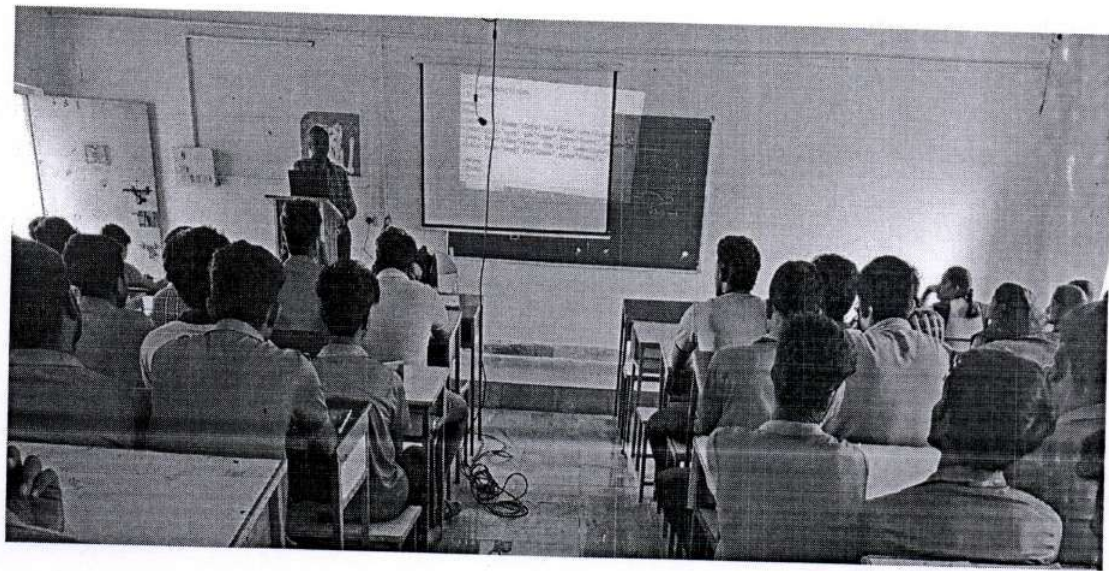

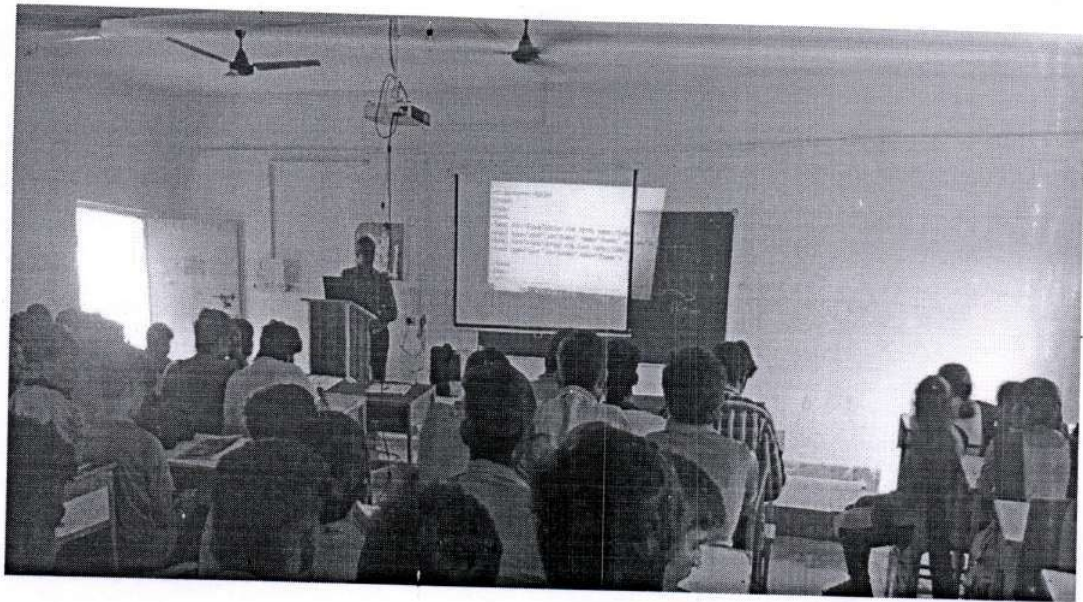

The Department of IT, under the guidance of Dr. J. Velmurugan, ensured seamless coordination of the event, setting a high standard for future collaborations. The event reinforced the importance of international partnerships in preparing students for global challenges in advanced technology domains.
