**Report on Guest lecture - “Importance of Electric Vehicles for Future of Mobility”
held on 16.02.2023.**

From Left to Right: Dr.B.Damodhara Reddy, Head, Civil Engg., Dr.M.Mohan Babu, Principal, Er.K.Ramesh Reddy, Speaker & Consultant, Bangalore, & Dr.K.Komala, Head, HAS

IE(I) Students Chapters of Sri Venkateswara College of Engineering and Technology (Autonomous), RVS Nagar, Chittoor, Andhra Pradesh, India, organized a guest lecture on the topic, **“IMPORTANCE OF ELECTRIC VEHICLES FOR FUTURE OF MOBILITY”**, on Thursday 16 Feb. 2023.

Er.K.Ramesh Reddy (FIE), Consultant for Oil & Gas, Renewable Energy Fields, Bangalore was the Guest speaker for the event. The Event was interactive with lot of discussions and insights. During the presentation the speaker emphasized on “Why Electric vehicles are the future of driving and how the transformation is on going across the Globe? He also informed, by 2035, the largest automotive markets will go electric. The lecture was informative and very useful for the students to understand the outlay of EV in near future. Dr.B.Damodhara Reddy, FIE, Head, Department of Civil Engineering initiated and executed the event. Dr.M.Mohan Babu, FIE, Principal, thanked the resource person and appreciated his knowledge transfer to the younger community.
